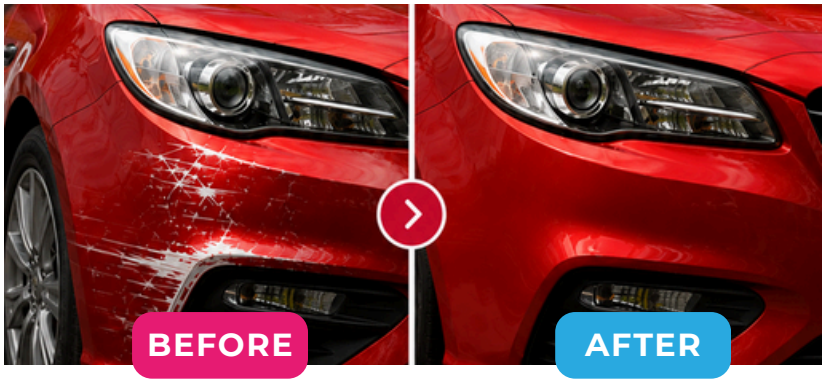
OWN YOUR FUTURE WITH TOUCH UP GUYS

Join one of Australia's longest-running mobile cosmetic vehicle repair networks and build a business backed by 35 years of brand experience, training and support.

EVERYDAY DAMAGE. REAL DEMAND.

Demand for mobile cosmetic vehicle repairs is growing as vehicle owners seek convenient, cost-effective ways to repair scratches, chips, scuffs, and minor damage without visiting a body shop.

Since 1991, Touch Up Guys has helped motivated people build their own mobile business, backed by a national brand, proven systems and hands-on training. This is a practical, customer-facing opportunity for people who want more control over their work, time and future.



WHAT IS INCLUDED?

- **Low Cost Entry**
  Secure your preferred territory with a lower upfront entry point.
- **Technical Training**
  Hands-on training designed to help you build practical repair skills and confidence.
- **Marketing Support**
  Benefit from national brand activity, digital lead generation and local area marketing guidance.
- **Mobile Business Setup**
  Operate from a fully equipped van with the tools, products and systems needed to get started.
- **Lead and Job Management Support**
  Access systems that help manage enquiry, bookings, and day-to-day workflow.
- **Business Support**
  Touch Up Guys provides operational guidance, technical support and access to an experienced network of operators.
